## ST. MADELEINE'S

A Gala and Black Tie Bingo Event • Saturday, April 21, 2018 • The Westin Bellevue

### Why should you consider supporting St. Madeleine Sophie?

#### Saint Madeleine Sophie is:

- A place where every student embraces the school-wide expectations to SERVE, LEAD, LOVE and LEARN!
- A nationally recognized award winning school of inclusion. "All are Welcome" at St. Madeleine Sophie.
- Considered one of the programs that is recreating the landscape of Catholic education both locally and nationally.
- A selected member of the Ashoka International Changemaker School Network.
- The elementary school of choice for over 150 graduates now enrolled in the most highly ranked secondary and university level programs.

**All are welcome** at St. Madeleine Sophie. We embrace the philosophy that a modern Catholic School Parish has a rich diversity of students representing a broad range of cultural, economic, familial, religious and educational differences. When we opened our doors for the first time we did so with the firm intention to become a school where all children could thrive, even those discouraged from applying to other programs because of their unique needs. Since that time- every day and in every way- the students, staff and families of our school have animated the call of Pope Francis to "go to the margins" and build a community of hope and promise where each person's unique gifts are recognized and nurtured.
