

**2018-19 CYO SPORTS
Grades K – 8**

PRE-REGISTRATION REQUEST

It is our goal to provide as many opportunities as possible for our students and families to play CYO sports. In past years, students from St. Madeleine Sophie School and Parish have participated in Soccer, Cross Country and Volleyball. It's our goal this year to see the number of sports we participate in and the numbers of students playing those sports go up. When the number of interested students in a particular grade and sport are sufficient, we will field our own team. In a case where that does not happen we will, as we have in the past, work with our neighboring parish schools to either merge students on a team or secure placement on their existing teams. The key is ... knowing, **IN ADVANCE**, which avenue we must pursue.

Please complete the pre-registration form and indicate for each child, their area(s) of interest. We will use this information to prepare our sports program for the coming school year. More specific information will be sent home before each sport starts. Please return this form to either the parish or school office by June 8, 2018.

FEE:

Each player must pay an athletic participation fee for each sport. The fee covers team registration, uniforms, and gym/field rental time. We will keep this fee as nominal as possible once the amount is known. Please do not send any money with this form; the fees will be collected prior to the beginning of each sport's season.

COACHING:

Without the dedication of volunteer coaches, CYO sports at St. Madeleine Sophie do not exist. If you are interested in coaching, please indicate below. We really appreciate your willingness to help. Please note that we will provide all equipment and coaching resources, if needed.
