

St. Madeleine Sophie Catholic School requires a complete student uniform in good, clean condition to be worn by **ALL STUDENTS**, at all times, beginning on the **first day** of class attendance. Any exceptions are determined by the principal on designated *Non-Uniform Dress Days*.* These uniforms contribute to the school's sense of pride and harmony and are a tradition of Catholic schools.

Included in that tradition is a climate of values that stresses personal respect and dignity, care for others, and the pursuit of academic excellence. Student dress should be consistent with these values and the stated goals of the school. To this end, any attire or appearance that is seen as disruptive to the learning environment, contrary to stated values, or presenting a safety hazard, is not appropriate. In short, students at St. Madeleine Sophie School should appear neat, clean, and modest in dress. Parent and student support of these standards is seen as most important to maintaining an acceptable norm of school dress and in helping promote a positive learning environment.

Following are the acceptable guidelines for each part of the uniform for the Lower School, **Grades PK-3**. Note that certain parts of the uniform must be purchased through the Dennis Uniform Store or the school's uniform exchange.

*** NON-UNIFORM DRESS DAYS**

On days designated non-uniform or free dress, clothing should fit properly, be clean and free of inappropriate pictures or wording. Jeans or shorts should not be torn, shredded or drawn upon. The length of the shorts should be appropriate, if not to mid-thigh. Yoga pants, tank tops, open toe shoes or sandals are not permitted. St. Madeleine Sophie parish-sponsored scout troops may wear their uniform on day of meetings.

All school staff assist in monitoring student appearance. In the majority of instances, questions are handled at the classroom level. In any debatable or recurring situation, the final judgment will be made by the school administration. Students not properly attired or groomed may be sent to the office for alternatively supplied clothing. In habitual situations, a student may be sent home and any school time lost can be required to be made up.
