Investing in St. Madeleine Sophie School's "All are Welcome" Educational Community

St. Madeleine Sophie School is unique and one-of-a-kind...
different yet welcoming, embracing the rich differences and uniqueness
each and every child and educator offers.

About St. Madeleine Sophie School:

- An accredited educational community committed to SERVE, LEAD, LOVE and LEARN!
- A Catholic Parish School community on the leading edge of educational inclusion throughout the greater Puget Sound neighborhoods and beyond.
- A nationally recognized educational community of inclusion, St. Madeleine Sophie is the FIRST and ONLY elementary school in the state of Washington awarded the Special Olympics National Unified Champion National Banner Status.
- *Of the 220 Primary through University level programs to reach National Banner Status, only EIGHT elementary schools throughout the U.S. have been so recognized.*
- Since our inception fifteen years ago, our graduates have gone on to enrich their new high school, vocational and university communities through their "all are welcome" interactions.
- Last, but not least, we are a SUPPORTIVE, ENCOURAGING, CHALLENGING and KIND community! We have fun too!
