

ST. MADELEINE SOPHIE SCHOOL - UNIFORM POLICY 2025-2026

GRADES PK-3

At St. Madeleine Sophie Catholic School, we believe that a consistent and well-maintained uniform helps foster a sense of pride, unity, and respect within our school community. To support this, all students are expected to wear the full school uniform, in good and clean condition, each day beginning with their first day of attendance.

Uniforms are a valued tradition in Catholic education and reflect a climate rooted in respect, dignity, care for others, and a shared pursuit of academic excellence. Student appearance should align with these values and contribute positively to our learning environment. As such, clothing or styles that may cause disruption, conflict with our school's values, or pose safety concerns are not considered appropriate.

We appreciate the partnership of our parents and students in upholding these expectations, as your support plays a key role in creating a respectful and focused atmosphere for all. Exceptions to the uniform policy may be made by the principal on designated Non-Uniform Dress Days. Below are the uniform guidelines for students in the Lower School, Grades PK–3.
